

## **Presentations at the American Corner Sylhet**

The outreach team headed by the Deputy Director of The American Center Ms. Laura Carey visited the American Corner Sylhet on July 26, 2007. The team met with Prof. Dr. Sadruddin Ahmed Chowdhury, the Vice Chancellor of the Sylhet International University (the American Corner host institution) at his office. Dr. Chowdhury welcomed the team and briefed them on the history of American Corner Sylhet. Later Ms. Carey and her team participated in a donation ceremony of new digital photocopier which was presented recently to the corner. The Founder of the host institution, vice chancellor, and registrar were present during the ceremony. A presentation program was then held in the American Corner Sylhet on American Life and Culture, American Higher Education and Campus Life for 100 students and faculty members.
